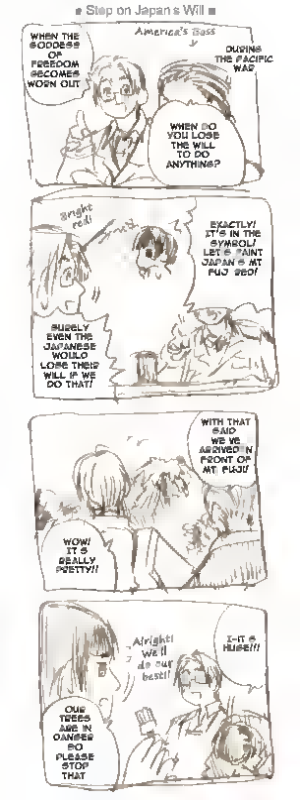
AMERICA'S TACTIC OF STEPPING ON THE ENEMY'S WILL



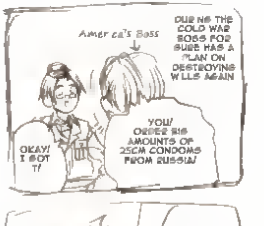
America's Boss
WHEN THE GODDESS OF FREEDOM BECOMES WORN OUT
DURING THE PACIFIC WAR
WHEN DO YOU LOSE THE WILL TO DO ANYTHING?
Bright red!
EXACTLY! IT'S IN THE SYMBOL! LET'S PAINT JAPAN'S MT FUJI RED!
SURELY EVEN THE JAPANESE WOULD LOSE THEIR WILL IF WE DO THAT!
WITH THAT SAID WE WE ARRIVED IN FRONT OF MT. FUJI!
WOW! IT'S REALLY PRETTY!!
Alright! We'll do our best!
E-IT'S HUGE!!!
OUR TREES ARE IN DANGER SO PLEASE STOP THAT

This is America's Red Fuji Legend (' ∀')
Their will to actually push through with it was American Quality

T/N1 Okay so apparently it's a super-secret in the US that back then [illegible] abandoned when they realized the ridiculously huge amount of paint they'd need to push thru with it

[illegible] "kuuki wo yomu" or 空気を読む means to assess the situation & others' feelings [illegible] read the atmosphere (空気読めない "kuuki yomenai" or "KY" in japanese slang) is someone who says things inapropriate or acts out of context.

OH TALY & AMERICA YOU GENIUSES YOU



America's Boss
DUE NO THE COLD WAR BOSS FOR SURE HAS A PLAN ON DESTROYING WILLS AGAIN

HEY! IT S SOME STUFF FROM RUSS A!

[redacted] the Cold War, America gave out XL-sized condoms to Russia
so that the citizens would lose their confidence
I love the legend of Russia's returned goods being too small

T/N5 They gave out "XL" sized ones with the premise that Russia'd think their workers were inferior to America's. Totally backfired though~ HAHA, shwhut?
T/N4 legend... story, mehh

By the way, for America-kun, as long as it's "FOR JUSTICE" he'll do ANYTHING!
